We also ask that all parents and legal guardians overseeing the care of children take the necessary precautions to ensure that their children are instructed to never give out Personal Information when online without their permission.

Use and processing of collected information

We act as a data controller and a data processor in terms of the GDPR when handling Personal Information, unless we have entered into a data processing agreement with you in which case you would be the data controller and we would be the data processor.

Our role may also differ depending on the specific situation involving Personal Information.
